

Amendments to the Specification

A substitute specification, and a redline version showing changes, are submitted to replace the previously filed specification. The changes are primarily directed to conformance with idiomatic English, to replace the literal translation from the original Russian-language version. No new matter has been added.

Amendment to the Title

Please amend the title to read as follows:

--ARROW-SHAPED BULLET, AMMUNITION CARTRIDGE USING SAME, AND
METHOD OF MANUFACTURING SAME--
